**NOTES ON CONFERENCE:**

**Derry-Londonderry, IM-0931(201), 13065**

*No Minutes Prepared. For information on this project, contact either Jamie Paine at (207) 363-0669 or Marc Laurin at 271-3226.*

**Merrimack, STP-TE-X-000S(434), 13494**

This municipally managed project involves constructing new sidewalks on D.W. Highway. The existing signals at the intersection of Connell's shopping plaza will be also be reconfigured as part

of this project. *For more information on this project, contact VHB Consulting Engineers at (603) 664-0888.*

**Gorham, X-A000(347), 14407**

This is a municipally managed project to renovate an old Diesel RR engine to make a small museum. There will likely be no impacts. *For more information on this project, contact either Tim Sappington at (603) 466-5780 or Ram Maddali at 271-3344.*

**Alstead, X-A000(425), 14540M**

This project will upgrade flood-damaged portions of NH Route 123 in Alstead. Although projects will be advertised along the corridor in priority areas first, the overall project will upgrade NH Route 123 & 123A. Work on NH Route 123 begins at Lake Warren and proceeds west approximately 4 miles to Murphy Hill road. Work along NH Route 123A begins at Vilas Pool dam and proceeds south approximately 1,200 ft. *For more information on this project, contact either Bob Landry at 271-2171 or Kevin Nyhan at 271-3226.*

**Hinsdale, X-A000(426), 14540N**

This project will upgrade flood-damaged portions of NH Route 63 in Hinsdale. Work begins approximately 1,300 ft north of NH Route 119 and continues north approximately 1,000 ft. *For more information on this project, contact either Bob Landry at 271-2171 or Jon Evans at 271-3226.*

**Walpole, 14540U**

This project will replace the flood-damaged stone arch structure that carries NH Route 123 over Cold River. The bridge has already been removed. This is a FEMA funded project. *For more information on this project, contact either Bob Landry at 271-2171 or Kevin Nyhan at 271-3226.*

**Bedford-Manchester-Londonderry, DPR-F-0047(001), 11512**

*No Minutes Prepared. For information on this project, contact either Bob Barry at 271-2107 or Cathy Goodmen at 271-3226.*

**Laconia Airport Safety Improvements**

*No Minutes Prepared. For information on this project, contact Tricia Lambert, NHDOT, Bureau of Aeronautics at 271-2551.*
